 All milkers looked exceptionally well! First kidders Churchview Stiletto, near
 perfect udder and super conformation, gaining Best in Show over Lisnoe
 Jody. The pick of a fine lot of goatlings were Aughavey Annett, wonderful
 length, and Kerryjo Lillie, good depth of body. A lot of very promising kids.
 Super showground and hospitality, as always in Ireland, excellent.

JUDGE'S COMMENTS

Not a large entry, but no 'tail-enders'. The Ashdene team of 'whites', simply superb. Dresden Bakasha very well put together, super udder attachment and good whites. I was somewhat concerned with the number of poor hind feet and weak pasterns in quite a number of the youngstock.

JUDGE'S COMMENTS

A very well run show with excellent facilities. BIS Ashdene Mischa took top place on the day. She is a first kidder of excellent dairy quality and milking well. She was followed by Theban Cornelia, another top quality first kidder, a heavier goat than Mischa, carrying plenty in reserve. Amongst some very promising youngstock the BS kid Ashdene Marypoppins took my eye.
