JUDGES COMMENTS

The BT's and AOV goat provided the strongest competition. Wrotham Tatiana and W. Grandgirl shown and presented to perfection, both milking heavily. Tatiana running through and finer shoulders put her above her stable-mate. Too early a show for youngstock but the absence of goatlings is a significant concern.

JUDGES COMMENTS

A well run show but facilities must be improved. A 1st K and a veteran topped the IP C. Sheida at 9 years old still has a well attached udder & is very sound on her legs. However, she had to give way to the youth of Lisnoe Jodie who just flowed. Most of the youngstock was promising and virtually all exhibits were well presented.

Very well run show with a good entry. BIS was a smart BT milker who gave
 4.25 kgs in the morning closely followed by a super AN milker (1st kidder)
 with a lovely udder and also milking very well. The BT milker class was very
 strong. Youngstock classes failed to impress but it is very early in the
 season and many animals will improve with time. A pleasure to judge!

JUDGES COMMENTS

A well run show slightly disappointing turnout of goats on the day. This show having excellent facilities for exhibitors & stock & plenty of interest on the show ground. A relaxed atmosphere is enjoyed with the show running over several day's. Best in Show Questant Cheriangel a nice BT in lovely condition. Reserve Best Coppershel Moss a good example of the BA Breed milking well but not yet in her best coat. Some promising youngstock throughout the breeds.

JUDGES COMMENTS

A well run and friendly show with plenty of good quality entries forward. Ashdene Mischa, turned out in superb condition, won on style, diaryness, milk & quality. Theban Cornelia was close behind, just lacking the refinement of Mischa over the shoulder & ribs. Oakvale Charity & Caulan Mystique also impressed.

JUDGES COMMENTS

Tempestuous weather conditions dampened the day literally at this show. A requirement for Noah's Ark in some parts of the tent as the day proceeded. However, commitment and a practical approach saw the show through to the end. Braynusen Evita another outstanding AN from this herd Best in Show. Reserve Best Toddbrook Yazoo a mature BS running through for 2 years and still giving a substantial amount of milk.

Wedgewood Bronelsa was BIS on excellent dairy quality and good breed type. She was followed by a very promising BS first kidder Aphrodite Antonique, who also had very sound conformation, well stuck on udder and immaculately presented. Other goats in the top 6 were all very good, with Nitram Ayliesha a very impressive AN. All of the first prize goatlings were very promising.

A very smart IP line up headed by a very nice AOV first kidder with a lovely topline and shapely udder both of which served to score it over the double run through tidy BS. Milk yields generally disappointing but the four animals managing 3 Kgs. or above included a very nice pure Toggenburg and smart pure Saanen.

JUDGES COMMENTS

Despite the shortage of exhibits quality and breed standards were exceptional. The CC winner is a top quality AN male sound in every aspect of conformation presented immaculately as was the superb BS buckling who pursued him closely for the top honours. Both of these animals along with the best kid provided a super line up.

Poundroll Ash won Best in Show with a very good yield, nice type, pure Tog. Reserve Kilbarchan Moon magic a very promising AN with a good uder. Stefash Ellie, Treflor Risk, Poundroll Jenny & Wadehouse Lucky took my eye among the youngstock. A pity there were so few exhibitors to take advantage of the good facilities.

Top two milkers shown to perfection and could easily have exchanged position but the fluency of topline meant that L. Betmeba was preferred for top honours. Both have good udders and milk well. Aphrodite Sarah the top goatling and her junior Aphrodite Sofi are classy animals. Not a lot of animals but good quality in each class presented.

BIS Cossin Colleen a well made first kidder with characteristics of this very

successful herd. Reserve Nighshaze Lily, a lovely BT, also impressed.

 BEST GOATLING - Guilden Barra.
 BEST KID - Guilden Crystal (AOV)
 RODERICK CHALLENGE CUP - Guilden Crystal

JUDGE'S COMMENTS:

A good entry of goats, many of a high standard. Special note must be paid
 to the 5 Guilden milkers - a super team. Best in show Guilden Blueberry and
 reserve Braynusen Evita both with lovely udders and good yields. Guilden
 Barra, Lyncol Bokoma, Guilden Crystal and Montrue Premier headed some
 well filled and promising goatling and kid classes.

JUDGE'S COMMENTS

The BIS Kattern Georgie had it in top line, shoulders, attachment and yield over Airways Anouska, but the presentation of the Teilos herd shone with Teilos Maggie and Teilos Anska taking top youngstock honours. Very impressive AN milkers class, having size and yields. Lovely GG milkers, but underachieving.

JUDGE'S COMMENTS:
Aphrodite Annatalya is a large charismatic dairy animal with good bone and superb topline. Her bloom and depth of body gave her the advantage over a very nice large and tidy BS Micean June. The pure Toggenburg Poundroll Ash is a very worthy animal too - good udder and milking well. The BT kid Aphrodite Sophie remains outstanding.

At the pre-milking inspection I was impressed with how AN udders have improved over the years. Both of the top milkers have superb, well

attached udders with excellent teat definition and good 'floor'. K. Moonmagic has more size, length and scope, but I just preferred the overall bloom and finish of N. Ayleisha. T. Zezzie is a goatling of superb type and size, a daughter of the male show BIS. Just hope she kids well next spring. Whilst B. Gabrielle who despite playing up has a super head and body type - most promising. A super, well run show I enjoyed judging tremendously.

JUDGE'S COMMENTS:

Congratulations to the Guiden herd for a top quality team of BT milkers - all
 of excellent dairy quality and breed type, and shown in superb condition.
 Some very good youngstock also contributed to the top quality feel I had in
 judging the goats. I particularly liked all of the Guiden goatlings - with
 Guiden Barra and Guiden Blueskye catching my eye.

JUDGE'S COMMENTS

Not many males forward, but mostly they were very good. Top two were
 excellent type, but Kilbarchan Moonraker marginally preferred on front and
 back width. Strong class of bucklings, full of quality and promise. Very good
 venue and top rate stewarding and organisation.

JUDGE'S COMMENTS:

A well run show - a pity there were absentees and a low entry. However, BIS Ashdene Mischa was a lovely first kidder, beautifully presented, with charm and quality. Reserve, an attractive BA milking well. Overall, the standard was very good and there were some promising goatlings and kids.

JUDGE'S COMMENTS:
Nice quality of goats in all classes. BIS Lyncol Rahda nice soft udder and milking well. When judges give up their time to go to a show it is nice when they get well looked after and in this case I was in a lovely 5* B&B! Ring steward John Orr was one of the best I have ever had - very efficient but with a touch of humour.

JUDGE'S COMMENTS:

A good entry of animals and some good yields for a late show. Cillvena is a
 large imposing animal with lovely topline and good bone. Hetherton Selene
 also has a good top and shows well. Pleasing to have a good BA entry in all
 ages. Nitram Ayliesha a smart AN with good udder as Hetherton Psychic
 also has - both good attachments.

 A nice friendly show. Gaedi Kalliope, a good type of BA in excellent condition, reigned supreme on the day with a good yield running through. Ladeside Ladyromily has a lovely well attached udder & excellent milk yield,

but was beaten on size and scope of the CC winner. Some animals in poor condition.
