JUDGES COMMENTS:

A wonderful show to judge in the far north of Scotland. Some high quality stock on show. Guilden Bonbon milking very well at seven years old. Balblair Gardenia a most attractive AN and Balblair Gretel was best goatling. Northcourt Moonrocket is an outstanding AN male well worthy of a CC.

A good entry with few absentees, some quality with a 4kg am yield. Res a Saanen in full bloom wearing well and an am yield of 4.6kgs. 1st kidder Rouval Wyannalise another quality goat which should have a good future. Jemaly Belladonna, a good type AN gave 3.6 kg am. Well filled young classes had some top quality animals. Best Group of three presented to the sponsor, Toddbrook Bucklebury, Doriath and Tumbletwo were outstanding.

JUDGES COMMENTS:

A very well run show. Dreadful weather conditions meant that judging had to be done inside. The Aphrodite herd was out in force gaining best milker, best goatling and best kid. As usual they were turned out immaculately. Treval Zafirah was reserve best in show.

JUDGES COMMENTS

Lovelesglen Comet deservedly took the top award. A first kidder running through with a good yield and udder shape. She has a very good body with lots of length and capacity. Guilden Butterkup is another good goat and sound throughout, but had to give way to Comet on length and general scope. Some very promising youngstock - I liked several, but Carrick Bonny was an extremely sweet kid. Patchy torrential rain caused a number of absentees.

JUDGES COMMENTS:

A pleasant show in a lovely seaside setting. Best in Show Nightshaze Strumpet a quality BS 1sr kidder running through showing no signs of easing up for the winter. Reserve BIS Leatland Primrose good BS running through just beaten by Strumpet on udder and milk. Worth mentioning is the beautiful Togg Treleth Donau still milking well and in fantastic condition. Best goatling an impressive AOV Norbarton Daucus showing hope for next year. Best Kid Cossin Chai a lovely BS kid with quality coat.

JUDGES COMMENTS:

Very well run show thanks to Dave Wharmby and his team of stewards. Great shame that it attracted a low entry. Teilos herd achieved a clean sweep with best milker, goatling and kid - all turned out in perfect order. Kattern Georgie milking extremely well was a worthy reserve BIS.

Unfortunately, very few males present, however, what they lacked in quantity they made up for in quality. The 50th Anniversary of the Mid Essex GOat Club was celebrated with a cake but time was also taken to remember Mervyn Clark who played such a major part in this club.

JUDGES COMMENTS:

A friendly show in a superb riverside setting. Well attended with most breeds represented. Treval Zafirah 1st kidder BS took best in show on condition and maturity. Reserve best promising Saanen 1st kidders Treflor Roxy. Worth mentioning Carrick Calliope a good upstanding BA type but short on milk for size and Muircock Matilda and Muircock Ella, two very striking Golden Guernsey milkers competing in a very strong AOV class.

JUDGES COMMENTS:

Dam & daughter headed the IP, BT's full of scope, good whites, both milking well. Cheswell Octakimba slightly better in her udder than her daughter. The GG, Vicarshill Diamond, 3rd in the IP very worthy of a mention. Excellent type and conformation, but excellent in udder & teats. An excellent entry decimated by absentees, however the goats forward were pleasing to judge and there was plenty of milk.

A most pleasant show to judge - the cattle market facilities were very welcome in the heat and the Derbyshire Goat Club always provides an excellent team of stewards; thank you. BIS an impressive AN milking and looking well, followed by an AOV first kidder, also milking well running through. Some good young stock - Sunrian Cilloette is a particularly attractive kid.

Poor support in this section and no male kids present. Ladeside Carrick well presented and a good type, sound in all departments. The other bucklings either poor in feet or lacking breed type. Shortage of males of great concern to future breeding policies. Superb band of enthusiastic junior handlers a pleasure to observe.

JUDGES COMMENTS:

Strongest competition came from a good class of impressive BT milkers all with sound udders. Line headed by Guilden Glory, a good sized BT who milks well and is a good colour. Has her stablemate Guilden Gamble given more milk, she could have just pipped her on udder shape. Homeacres Hosanna had a good topline and nice udder milks well too. Bornarty Furie a well resented and smart BA goatling.

JUDGES COMMENTS:

I was both humbled and inspired when Davis Brace brought out his team of goats at Moorgreen show. A very courageous thing to do. I was equally delighted when I awarded Hetherton Korensa Best In Show. She is a lovely BT 1st kidder, running through with strong bone structure and a well attached udder, shown in superb condition. Res BIS Nitram Ayliesha a desirable AN also with a well attached udder. The Kinmea & Stefash herds in good form taking Best Goatling & Best Kid, two superb animals that really caught your eye.
